   11.1.4 use the NielsenIQ Brandbank Applications in a way that could damage, disable, overburden, impair or compromise the NielsenIQ Brandbank systems or security or interfere with other users’ use of the NielsenIQ Brandbank Applications.

12. SEVERABILITY
If any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason by a court of competent jurisdiction, such provision will be severed and the remainder of this Agreement will continue in full force and effect as if this Agreement had been executed with the illegal or unenforceable provision eliminated.

13. NOTICES
All notices must be in writing and are deemed given when mailed by registered or certified mail, return receipt requested, to the other party's address specified on the cover sheet of this Agreement or such other address as is notified to the other party in writing. It is agreed that serving notice by email or fax will not be an effective method of providing notice under this Agreement.

14. VARIATION
14.1 NielsenIQ Brandbank reserves the right at any time to modify this Agreement or the Services and to impose new or additional terms or conditions. If the User continues to use the Services after 30 days of being notified of any such modification or additional terms, the User will be deemed to have accepted these changes and they will be incorporated into this Agreement.
14.2 Subject to clause 14.1, no variation of this Agreement will be effective unless it is in writing and signed by the authorized representatives of the User and NielsenIQ Brandbank.

15. ASSIGNMENT AND SUB-LICENSEING
15.1 This Agreement is for the benefit of, and binding on, the parties and their respective successors and assigns. It may not be assigned by either party without the prior written consent of the other party, except that NielsenIQ Brandbank may, upon notice, transfer its rights and obligations under this Agreement to a NielsenIQ Brandbank Affiliate.
15.2 NielsenIQ Brandbank may sub-contract any of its rights or obligations under this Agreement. The User may sub-contract any of its rights or obligations under this Agreement provided that it has obtained NielsenIQ Brandbank's prior written consent and ensures that any of its sub-contractors are made aware of, and are legally bound to comply with, the terms of this Agreement. Each party will remain fully responsible for the acts and omissions of any of its sub-contractors.

16. AUDIT
16.1 During the term of this Agreement and for a period of two years following its termination, upon reasonable notice to the User, NielsenIQ Brandbank will have the right to audit all usage of the Deliverables by the User, provided that the User will not be required to submit to such audit more than twice in any calendar year. The User will provide NielsenIQ Brandbank (and its auditors and other advisers) with all reasonable co-operation, access and assistance in relation to each audit. The parties will bear their own costs and expenses incurred in respect of compliance with their obligations under this clause 16.1, unless the audit identifies a material default by the User, in which case the User will reimburse NielsenIQ Brandbank for all of its reasonable costs incurred in the course of the Audit.
16.2 If an audit identifies that the User is in breach of this Agreement, without prejudice to NielsenIQ Brandbank's other rights and remedies, the User will promptly take the necessary steps to comply with its obligations (including making an additional payment for any use of the Deliverables outside of the agreed license scope at NielsenIQ Brandbank's then current rates).

17. MISCELLANEOUS
17.1 This Agreement, any Orders and any ancillary agreements may be signed in counterparts. Each signed copy of a document will be deemed to be an original, but all signed copies, when taken together, will constitute one and the same agreement.
17.2 All obligations in this Agreement which expressly, or by their nature, are intended to continue beyond the termination of this Agreement (including provisions relating to confidentiality, liability, indemnification, data protection and governing law) will survive the termination of this Agreement.
17.3 Nothing in this Agreement is intended to, or will be deemed to establish any partnership or joint venture between the parties, make a party the agent of the other party or authorize a party to make or enter into any commitments for or on behalf of the other party.
17.4 No one other than a party to this Agreement, their successors and permitted assigns, will have any right to enforce any of its terms.
17.5 The rights and remedies provided under this Agreement are in addition to, and are not exclusive of, any rights or remedies provided by law.
17.6 No failure or delay by a party to exercise any right or remedy provided under this Agreement or by law will constitute a waiver of that or any other right or remedy, nor will it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy will prevent or restrict the further exercise of that or any other right or remedy.

This Agreement shall be governed by the law of the State of Illinois, United States of America, without regard to its choice of law provisions. The parties agree to the exclusive personal jurisdiction of the State and Federal Courts located in Chicago, Illinois for purposes of determining all disputes arising in connection with this Agreement and hereby waive all objections to venue in those courts.
